UNIVERSALLY POPULAR

The "Sunday School Lesson" published each week in this newspaper has been adopted by thousands of church instructors throughout the United States as a regular part of their weekly work. It is a review and exposition of the international lesson for each week, prepared by Dean Harold L. Lundquist of the Moody Bible Institute at Chicago, a recognized leader in the nation's church work. Dean Lundquist has been active in teaching Sunday School for years, thereby acquiring an insight into the needs of these people for understandable explanations of Bible passages. In view of his accomplishments in church work, it is not surprising that Dean Lundquist's exposition of the weekly Sunday School Lesson is being used in almost every community of the nation. As teacher or student you will find it extremely helpful.
